

General Member Psychiatrists

AMERICAN
PSYCHIATRIC
ASSOCIATION

BENEFITS & SERVICES

CME & LIFELONG LEARNING

- Member exclusive access to over 200+ activities in the **APA Learning Center** with journal activities, and free and discounted CME. You can also meet MOC requirements, and earn Self-Assessment credits, that are automatically reported to ABPN.
- **Emerging Topics Webinars** covering diverse topics including clinical practice updates, burnout and physician well-being, new legislation, technology and more.
- **Free Members' Course of the Month**—Each month, you have free access to an on-demand CME course on a popular topic.
- Discounted Registration to the **Annual Meeting** and **The Mental Health Services Conference**.

PRACTICE TOOLS

- Access to the **Practice Management HelpLine**, **Practice Management for Psychiatrist: The Basics Handbook**, and other valuable tools to assist with a wide variety of day-to-day practical issues that arise in managing a practice.
- **PsychPRO**—a flexible tool that captures data to help psychiatrists and all behavioral health providers make optimal patient care decisions, further research, and develop new measurements of quality.
- **Find a Psychiatrist** database helps patients find you. A great benefit for expanding your patient base.

JOURNALS & PUBLICATIONS

- Free print and online subscription to **The American Journal of Psychiatry** including early access to the latest articles with *AJP in Advance*.
- Free print and online subscription to **Psychiatric News** bimonthly news service.
- Discounted subscriptions to **Psychiatric Services** and **Focus: The Journal of Lifelong Learning in Psychiatry**.
- Discounts on more than 700 books and special member pricing for journals and subscriptions through **APA Publishing**.

NETWORKING & ENGAGEMENT

- Become a **Fellow** or Distinguished Fellow of the APA
- Discover **leadership opportunities and awards**.
- Join **APA Communities** to network and engage with your peers.
- **District Branches** facilitate involvement and engagement at the local level. Opportunities exist for District Branch and APA Assembly leadership roles, advocacy, local CME, networking and much more.

Your Voice is Critical:

APA informs, guides, and generates support for legislation that advances the interests of both your patients and profession. Use your membership to get involved by advocating on the state and national levels through the **Congressional Action Network**, **APA Political Action Committee**, and by staying informed through **Advocacy Alerts**.
