

Resident Fellow Member

BENEFITS & SERVICES

E LEARNING

- Free access to the Supplemental Education and Training (SET) program, designed to help you build knowledge around the Milestones and learn about the business of medicine.
- **Emerging Topics Webinars** covering diverse topics including clinical practice updates, burnout and physician well-being, new legislation, technology and more.
- **Free Members' Course of the Month**—Each month, you have free access to an on-demand CME course on a popular topic.
- Discounted Registration to the **Annual Meeting and The Mental Health Services Conference**.

RESOURCES

- Access to the **Practice Management HelpLine, Practice Management for Psychiatrist: The Basics Handbook**, and other valuable tools to assist with a wide variety of day-to-day practical issues that arise in managing a practice.
- Free access to **A Resident's Guide to Surviving Psychiatric Training** that offers practical advice on more than 50 topics - ranging from surviving on call and writing effective notes, to sub-specialty training and negotiating for your first job.
- Free access to **Building a Career in Psychiatry**—a two-part guide that will provide you with information on important nonclinical topics that are infrequently included in undergraduate or graduate medical curricula.

JOURNALS & PUBLICATIONS

- Free print and online subscription to **The American Journal of Psychiatry** including early access to the latest articles with *AJP in Advance*.
- Free print and online subscription to **Psychiatric News** bimonthly news service.
- Free online subscription to **Psychiatric Services**.
- Access to and opportunity to publish in the online Residents' Journal.
- Discounts on more than 700 books and special member pricing for journals and subscriptions through **APA Publishing**.

NETWORKING & ENGAGEMENT

- Checkout the **Resident-Fellow Member Handbook**—your quick guide to APA leadership and fellowship opportunities, awards, and competitions.
- Join the **Resident-Fellow (RFM) Members Community** to network and engage with your peers.
- Join **APA's Members-Only LinkedIn Group** where you can connect with other psychiatric professionals to network, share content, exchange knowledge, pose questions, and share your ideas.
- **District Branches** facilitate involvement and engagement at the local level. Opportunities exist for District Branch and APA Assembly leadership roles, advocacy, local CME, networking and much more.

Your Voice is Critical:

APA informs, guides, and generates support for legislation that advances the interests of both your patients and profession. Use your membership to get involved by advocating on the state and national levels through the **Congressional Action Network, APA Political Action Committee**, and by staying informed through **Advocacy Alerts**.
